WARNING: The information contained in this report, including the calculations of IRR, was prepared by UTIMCO and HAS NOT been reviewed or approved by the individual general partners of the partnerships. In addition, due to a number of factors, including most importantly a lack of valuation standards in the private equity industry, differences in the pace of investments across partnerships, and the understatement of returns in the early years of a partnership life, the IRR information contained in this report DOES NOT accurately reflect the current or expected future returns of the partnerships and SHOULD NOT be used to assess the investment success of a partnership or to compare returns across partnerships.

THIS DISCLAIMER IS AN INTEGRAL PART OF THIS REPORT, AND ANY SUBSEQUENT DISCLOSURE OR REPORTING OF THE INFORMATION CONTAINED IN THIS REPORT MUST INCLUDE THIS DISCLAIMER. A FAILURE TO USE THIS DISCLAIMER WHEN DISCLOSING IRR INFORMATION TO A THIRD PARTY WOULD BE MISLEADING AND WOULD CONSTITUTE A MATERIAL MISREPRESENTATION.

<sup>&</sup>lt;sup>1</sup>"Capital Invested" may exceed "Commitment" amounts due to the recall of previously distributed capital or other capitalized expenditures.

<sup>&</sup>lt;sup>2</sup>"Capital Returned to UTIMCO" is net of other fees and expenses incurred by UTIMCO.

<sup>&</sup>lt;sup>3</sup>Cash-on-Cash Return is calculated by dividing "Capital Returned to UTIMCO" by "Capital Invested."

<sup>&</sup>lt;sup>4</sup> IRR, or Internal Rate of Return is an annual rate of return, since inception, on a partnership investment calculated by a complex mathematical formula which considers the timing and size of irregular flows of capital invested and returned to UTIMCO and the value of the remaining investments. IRRs are based on capital invested and returned to UTIMCO through Novemer 30, 2001 and the current value of remaining investments as of Septemer 30, 2001. IRRs for periods of less than one year are nominalized, not annualized.
